

REFUGEE
LGBTIQ*
CONFERENCE

because love has no borders

because love has no borders

Despite the fact that the needs of LGBTIQ*-refugees have been publicly addressed and organisations, networks and specialised shelters for LGBTIQ*s were set up in the past year, essential problems remain and new were created.

Therefore, we invite again to the LGBTIQ*-Refugee-Conference in 2017 offering space for further learning, networking and public relations work, as well as raising public awareness for the situation of LGBTIQ*-refugees. Building on our last conference, we again intend to create room for workshops and networking and to conclude with a pride parade through Brandenburg an der Havel.

9th to 11th June 2017
Brandenburg/Havel

friendly supported by Jukufa e.V.
